## Minutes:

Description of the Budget:	
<p>Be a Part from the Start is a pep rally held every year where first-year students are introduced to University resources, sports teams, and organizations. It is designed to instill Penn State pride in students and welcome them to the University.</p>	
Questions from the Committee:	Responses from the Presenter:
1. Can you give us your rationale for requesting these services?	1. We want to show the freshman a rundown of Penn State. There are about 8,000 people attending the event so we want to make sure everyone is safe.
2. How do you plan to advertise the event?	2. We've been advertising through NSO, facebook groups, trying to advertise through other orgs and through their own social media. Some people doing tours are also advertising the event.
3. Have you paid for anything yet?	3. No
4. How will this enhance the student experience at UP?	4. Be a part from the Start introduces new students to Penn state and Penn State pride. This is the students' first introduction and Penn State experience. We can introduce them to new orgs and

	groups, we want to give them a sense of belonging.
5. We typically fund events open to all UP students, this event is targeted towards freshman so how does that work?	5. The target audience is first year or transfers students, but all UP students are allowed to attend

CM1: It seems to be an event to get new members

CM1: There were some giveaways in the budget, we cannot fund those
CM3: door prizes are when given in original form, its different when it goes through a transformation
CM4: kinda like the sour dough jar, which we didn't fund because it was meant to go home. This is also the intent that these are promotional items

<b>SCT Recommendation:</b>
